Vision

"To serve the community with professionalism, honesty, and trust being fair and impartial."

Tribal Court Mission Statement

"To serve as the Judicial Branch of the Tribal Government in the preservation and enhancement of Tribal Sovereignty by providing a Judicial forum on both the Trial and Appellate levels for addressing issues over which jurisdiction is vested; afford all persons within its jurisdictions equal protection of the law; and ensure their due process"

Goals

Expand and improve services to Tribal victims of crime through direct services to victims of crime.

"Promote justice and healing for all Klamath Tribal victims of crime."

About Us

Through dedication and professionalism, the Klamath Tribal Courts will provide the highest level of service to members of the Klamath Tribes, any Native American, Klamath children, and parties consenting to the jurisdiction of the Courts.

Missing and Murdered Indigenous Peoples (MMIP)

The crisis of MMIP disproportionately affects Indigenous communities, including Klamath Tribal members, causing profound and ongoing trauma to families and the community as a whole. The Klamath Tribes MMIP committee is committed to addressing this crisis through awareness campaigns, community needs assessments, and risk factor data, while collaborating with local, state, Tribal, and federal agencies.
